Long-term employment opportunities
Become part of our experienced and friendly team.

Professional recognition of your degree in Germany

- Each qualification is **individually assessed** for equivalence by the German state authority in Schleswig-Holstein.
- If there are differences, a practical adaptation course and a practical aptitude examination may be required at the Medi-Schule in Kiel.
- Prerequisite for the practical examination: B2 German certificate.
- Additional requirements: medical certificate (health fitness) and certificate of good conduct.
- We support you with all steps of the recognition process.

Erasmus+ internships for Master students

Erasmus+

- For Master students in Physiotherapy who have already completed a Bachelor's degree.
- Duration: 2–6 months.
- Practical training in our practice under the supervision of experienced physiotherapists.
- Accommodation provided in Ahrensburg.
- Free further training (e.g. acupressure, taping, Japanese therapeutic methods).
- Insight into the German healthcare system.
- Possible pathway to long-term employment.
